Deputy Commissioners Office,

Dated, Chitaldroog, 23rd December 1908
- 74 -

From

Mr. Chenziah Chetty, Esquire, B A
Deputy Commissioner
Chitaldroog District

To

K. S. Chendrasekhara Iyer, Esquire, B A B L
Secretary to the Government of
His Highness the Maharaja of Mysore,
Muzrai Department
Bangalore.

Sir,

With reference to your docket No 3457 dated 28th January 1908 forwarding, for a detailed report the petition of Syed Hussam, Muzavar of the Inam Hussam Deitzji in the Chitaldroog town, I have the honor to state that the petitioner represents that an Inam village with a beiriz of Rs 200/- (Kurubarhalli village in the Chitaldroog Taluk, now a Government one) had been endowed to the Institution by Hyder Ali, that the village was later on resumed and an annual cash grant of Rs 29-1-0 sanctioned instead, which is hardly enough to maintain light and render the necessary services in the Institution, that he is spending every year more than Rs 50/- from his own pocket

to feed the disciples and meet the required expenditure during the Moharram and therefore prays either for the increase of the present Cash grant or for the grant of lands in the Kurubarahalli village - bearing an assessment of Rs 29 1-0 after acquiring the same from the present holders.

2. The Amildar reports that no references are available to find out when and under what authority the village was endowed as inam and how it came to be resumed, and that the annual Cash grant of Rs 29-1-0 is still being paid to the petitioner on behalf of the Institution. This sum and the small collection of Kanike from the devotees will be utilized for conducting daily worship, maintaining light &c. It will be seen from the Mahajars of Chitaldrug Townspeople, that besides the above expenditure, the petitioner is spending every year a sum of not less than Rs 100/- towards the Moharram expenses.

3. Of the two alternative prayers of the petitioner, I do not think it feasible to acquire the occupied lands

and grant the same for the Institution.
As regards the other prayer for increasing
the *lāsdik*, the *Amildar* recommends
that an additional grant of Rs 60/- may
be sanctioned if Rs 100/- is considered
high. In my opinion, the grant may
be raised to Rs 50/- which will result
in the increase of Rs 20-15-0.

4. The Vernacular correspondence
on the subject is herewith submitted
for reference.

I have the honor to be,
Sir,

Your most obedient servant,

Deputy Commissioner

The incumbent produces a Sannad of Hyder Ali Khan, dated in February, 1779 granting an Inam Village of the value of Rs 200/- for Ashur-Khana service, and states that it was resumed in Dewan Purniah's time and a ready money stipend of 12 pagodas was settled in its lieu, which was afterwards reduced to the present amount.

In the Averzakh Accounts 1801 to 1820 a mention is made of a Yakud for this Inam, which is not found, nor its purport recorded, to enable us to ascertain whether what the incumbent says is true and whether this Inam should be granted as personal or service grant. The land Inam according to the Hyder Ali Khan's Sannad is not in existence and it is alleged that by means of the stipend, the party in column 7, is performing the Ashur-Khana service, and

and under these circumstances I recommend its being confirmed to him so long as the Ashur Kohana service is rendered

The Insdik Accounts call this as a Zakat grant, and we cannot ascertain from the entries in them whether this is personal or carry, with it the conditions of the Ashur Kohana service. However, I recommend for compliance the request of the party, in column 7, to have it registered for the benefit of Ashur Kohana
